*Vintage dated each year, the Domaine Carneros Brut Cuvée represents the best of Carneros pinot noir and chardonnay made into a classic sparkling wine. The appellation is 100% Carneros. The Brut was aged in the bottle for three years before release. It will continue to develop further depth and complexity as it ages. **Wine Spectator** Appealing aromas of Gala apple, toasted almond and vanilla lead to focused, creamy Asian pear and spice flavors that finish with a vibrant crispness. Drink now through 2012. Score: 89.*

RED WINES**FRANCE****Bordeaux—Médoc**

R111 Ch. Belgrave (1/2 Bottle) 1998 39.00 *

The 1998's dark purple color is accompanied by classy, smoky, black currant, wet stone, and new oak aromas. Medium-bodied and elegant, with fine depth as well as a nicely-textured, moderately-tannic finish, it will be at its best between 2004-2015. Robert Parker.

R70 Les Brulière de Beychevelle (Haut Medoc) 2005 50.00 *

Brulière is a standout, classic Claret rivalling most Cru Bourgeois wines and which clearly benefits from the attentions of the Ch. Beychevelle team. The appearance is deep crimson with a bouquet displaying aromas of confectionery, violets, blackcurrant, cedar and spice.

R50 Michel Lynch Merlot - UCT House label 2005 30.00

This Merlot shows a vibrant, deep ruby red colour. Aromas of red cherry, plum and spice notes follow through on the palate along with blackberry, integrated oak and light tannins. Supple, fruity forward and with a long lasting finish.

Bordeaux - Haut Medoc

R94 Chateau Lanessan 1996 \$53.00

Wine Advocate A sleeper of the vintage, Lanessan's 1996 boasts an impressively saturated dark ruby/purple color, and knock-out aromatics of melted chocolate, asphalt, and cassis. Deep, rich, and medium-bodied, with excellent concentration and purity, this impressively-endowed, flavorful, well-structured wine should be at its finest between 2004-2016. Score: 88. —Robert Parker, April 1999.

R116 Chateau Calon Segur 2004 82.00

Wine Spectator: "Intense aromas of currant bush and berries that turn to roses. Full-bodied, with silky tannins and a floral, leafy and fruity aftertaste. Builds on the palate." 90 points

Bordeaux—St.-Estèphe

R15 Ch. Cos d'Estournel (2ieme Cru Classé) 1988 \$276.00 *

The 1988 has an intriguing bouquet of exotic spices and black fruits. Savagely tannic in its youth, the wine has softened and developed more charm and appeal. Still deep ruby/purple in color, with little signs of age, this medium-bodied, slightly austere wine possesses good cassis fruit, excellent purity, and an elegant, classic style. Anticipated maturity: 2000-2012. Score 87, Robert Parker

Bordeaux—Margaux

R129 Ch. Rauzan-Ségla (2ieme Cru Classé) 1985 \$203.00 *

The 1985 is richly fruity, supple, and precocious. If it lacks structure and aging potential, there is little doubt that it offers delicious near-term drinking in a medium-bodied, elegant, smooth as silk style. Anticipated maturity: Now. Score 87, Robert Parker.

R71 Ch. Rauzan-Ségla (2ieme Cru Classé) 1989 232.00 *

The 1989 is a seductive, jammy, concentrated wine offering a huge bouquet of blackberries and raspberries. Voluptuous on the palate, with layer upon layer of fruit and extract, this silky textured, flamboyantly styled wine should provide terrific drinking when young. Anticipated maturity: Now-2012. Score 90, Robert Parker

R147 Ch. Palmer (3ieme Cru Classé) 1996 269.00 *

This wine, a blend of 55% Cabernet Sauvignon, 40% Merlot, and 5% Petit Verdot, is performing well after its July, 1998 bottling. It boasts an impressively saturated purple color, in addition to a backward yet intense nose of black plums, currants, licorice, and smoke. Following terrific fruit on the attack, the wine's structure and tannin take over. There is plenty of sweet fruit, and the tannin is well-integrated, but the wine requires 7-8 years of cellaring. Anticipated maturity: 2007-2028. Score 91, Robert Parker.

R16 Ch. Palmer (3ieme Cru Classé) 1985 299.00 *

Bordeaux—Pauillac

R72 Lacoste Borie 2002 50.00 *

Pauillac is one of the star communes of the Médoc, producing wines of complexity, longevity and power and the 2002 Lacoste Borie expresses Pauillac perfectly. It has the classic Pauillac nose laced with mineral, cedar, violet, cassis and mild tobacco. In the mouth it is rich and concentrated with bright acidity, integrated tannins and distinctive cassis, mocha and coffee notes. Already Impressive, it will age gracefully over the next 10 years.

Bordeaux—St.-Julien

R51 Ch. Gruaud-Larose (2ieme Cru Classé) 1986 \$292.00 *

There seems to be no doubt about the quality of the 1986 Gruaud-Larose, which in 20 years should rival the extraordinary 1990, 1982, 1961, 1949, and 1928 made at this vast estate. From the first time I tasted this wine in cask, I have thought it to be among the blockbusters of the vintage. It has a black/purple color, mammoth structure, a fabulous wealth of fruit, and a finish that seems to last several minutes. This is indeed first-growth quality, but then, when, in the last decade, has a Gruaud-Larose not matched the quality of the first-growths? Score 94 – Robert Parker

R31 Ch. Gruaud-Larose (2ieme Cru Classé) 1990 253.00 *

Gruaud-Larose was superb at the most recent tasting. Moreover, this might be a 1990 that is still affordable. The wine exhibits a thick-looking, plum/purple/garnet-like color. A sensational nose of jammy black-cherries, earth, cedar, and herbs has become far more intense and striking. The wine displays sensational richness and power, but not quite the burly, monstrous size and hulking weight of the 1986 or 1982. Yet it reveals impressive stuffing and power. The low acidity emphasizes the thick, juicy, succulent fruit in this backward yet rich, chewy wine. This was the finest showing yet for the 1990 Gruaud Larose. Score 93 – Robert Parker

R53 Ch. Ducru Beaucaillou (2ieme Cru Classé) 1989 286.00 *

R12 Ch. Ducru-Beaucaillou (2ieme Cru Classé) 1990 266.00 *

Bordeaux—St.-Émilion

R106 Ch. Cheval-Blanc (1er Grand Cru Classé A) 1997 \$225.00 *

Cheval-Blanc, one of the greatest wines of Bordeaux, is a blend of Cabernet Franc and Merlot. Robert Parker rated this vintage of Cheval-Blanc at 90-92 points, and claims that the wine has "undeniable seductiveness".

R115 Ch. Troplong Mondot 2004 86.00 *

Wine Spectator Aromas of blackberry, with hints of tobacco. Full-bodied, with fine tannins, good length and a delicate, fruity aftertaste. Much more refined than I remember from barrel. Caressing. Best after 2007. 5,000 cases made. Score: 90. —James Suckling, March 31, 2007.

Bordeaux—Pomerol

R117 J.P. Moueix "Christian Moueix" Pomerol 2005 46.00

The tiny right bank commune of Pomerol is renowned for its clay soils, minute production and opulent Merlot-based wines with stratospheric prices. This wine demonstrates Pomerol's unique style and terroir but at a very affordable price. Elegant and smooth with plenty of plum, berry and spice notes, this medium to full-bodied wine will complement roast lamb shoulder or prime rib of beef.

"Given that 2005 may be the best Bordeaux vintage of the century, and that this offering may be one of the best deals ever coming from that region, this is definitely a 'not to be missed' opportunity" Zachys.com, April 2008

R38	Ch. Vrai Canon Bouché <i>"This noble effort, displaying terrific purity, power, and richness, provides further evidence that Canon-Fronsac's cool terroirs were beneficial in the torridly hot, dry summer of 2003. An inky/ruby/purple colour accompanies aromas of violets, blueberries, and crushed stones. Powerful, rich, and generous, this sleeper of the vintage should be at its finest between 2006-2014" Robert Parker</i>	2000	51.00 *
R90	Ch. Mazeris <i>"Produced from very old vines, it has an uncanny resemblance to the great Pomerol, Lafleur, at about one-seventh the price. Châteauneuf-du-Pape may contain up to 13 different grape varieties.

R65 Domaine Chante-Perdrix Châteauneuf-du-Pape ½ Bottle 2001 30.00 *

The 2001 vintage of the immediately preceding wine (Bin S02). "The medium ruby-colored, soft 2001 Chateauneuf du Pape possesses notes of incense, exotic tobacco, and perfumed, distinctive aromatics in addition to copious quantities of ripe, sweet cherry fruit. It is a distinctive, exotic, somewhat eccentric-styled effort with tremendous aromatic fireworks. It is a gorgeous, singular style of Chateauneuf to drink over the next 10-12 years. Score: 88-90 points." (Robert Parker Jr.)

R32 Ch. Fortia Chateauneuf-du-Pape Cuvée de Baron 2004 \$55.00

"The rich, dense 2004 Chateauneuf du Pape Cuvée du Baron has a deep ruby colour and elegant notes of licorice, black raspberry, blackberry, and cherry. This wine should drink well for 7-8 years." 88-90 points, Erobertparker.com

Côtes-du-Rhône—Gigondas

R82 Domaine Brusset Gigondas 'Le Grand Montmirail' 2006 \$48.00

The most recent vintage from this celebrated domaine, whose winemaker is considered by Clive Coates to be "one of the southern Rhone's best." A blend of low yielding, hand picked vines comprising 65% Grenache, 15% Syrah, 15% Mouvèdre and 5% Cinsault. The wine boasts a deep crimson colour, ripe red fruit aromas with a touch of mineral and vanilla. The palate is generously full-bodied with silky tannins and has an exceptionally well integrated finish.

Côtes-du-Rhône—Other

R11 Perrin Reserve (Côtes-du-Rhône) 2004 \$22.00

R6 Delas Frères Saint-Esprit Côtes-du-Rhône 2005 24.00

Tony Aspler: "At the beginning of the year the LCBO is convinced that we've all blown our wine budgets over Christmas and have little left to spend at their Vintages outlets. So this Saturday's release is full of wines in the \$12-15 range. One of the best values is Delas Saint-Esprit Côtes du Rhône 2005 from the southern Rhône Valley. The wine is dense purple with a nose redolent of blackberries with a medicinal note; it's medium-bodied, dry with a spicy dark chocolate flavour and floral grace note on the finish. Try it with pepper steak or a rich stew.

Languedoc

R80 Chateau Ricardelle 'La Clape' 2005 \$25.00

Despite its rather unpromising name, La Clape is one of the most impressive enclaves in the Coteaux du Languedoc, vying with Pic Saint Loup to be the next commune to merit its own Appellation Contrôlée status. A blend of Grenache, Carignan and Syrah, from this wine is graceful and feminine, with silky supple tannins.

ARGENTINA

R1 Fournier Alfa Crux Tempranillo Malbec Merlot 2002 54.00

Wine Spectator: 93 points: A very flashy, modern-style wine, with layers of mocha and spice-infused toast leading the way for boysenberry, blackberry and fig, fruit. Shows additional tar, mineral, graphite and even violet notes through the rich but racy finish. Drink now through 2010.

- R109 **Malbec Gran Reserva, Fabre Montmayou** 2006 \$39.00
The bouquet is intense with plenty of wild blackberries, ripe black cherry, licorice, and spices. On the palate, the wine shows a remarkable balance with very elegant, delicate and silky tannins. Excellent with red meats, game, rich cheeses and chocolate. Best Value Malbec, 2007 Argentina Wine Awards.
- R107 **Alamos Selecciom Malbec, Bodega Catena Zapata** 2007 31.00
"Round and fleshy, with enticing spice, blueberry, fig and boysenberry flavours backed by hints of fruitcake and melted licorice. Stays fresh and vivid on the finish, with a lingering mocha hint. Drink now to 2009." Wine Spectator 90 points, Nov 2008

AUSTRALIA

- R5 **Logan Winery Weemala Shiraz** 2002 \$27.00
Shiraz with a touch of Viognier. Dusty, crushed black cherries and spicy aromatics set up this medium-bodied beauty. Excellent grip and wonderful rich fruit extraction (possibly due to a two-day 'cold soak') make this an exciting offering in the style of a rich and expensive Rhone Syrah (tar, licorice and currants). Long finish.
- R18 **Kirrihill Cabernet Sauvignon (Clare Valley)** 2002 38.00
Deep, vibrant red in the glass, this wine shows lifted, minty, berry fruit on the nose, with hints of rose petal and spice. The palate is packed with ripe berry and cassis flavours, subtly balanced by the savoury notes of black olives and liquorice. Cedary oak rounds out the finish and velvety tannins extend the mouth feel and persistence of the palate.
- R44 **Balgownie Estate Shiraz Bendigo** 2003 47.00
"The evocative 2003 Shiraz offers up notes of charcoal, roasted coffee, blackberries, cassis, smoke, herbs and earth. Medium-bodied and elegant as well as more flavourful and layered, it should be enjoyed over the next 5-6 years." Score 90, (Robert Parker)
- R42 **McLaren Ridge Shiraz** 2005 37.00
There's no mistaking where McLaren Ridge Shiraz comes from. It is warm, hospitable and juicy, with smells of dark chocolate and cherry, pepper, earth and leather. There's lots of texture and flavour and it's all held in shape by an even, firm structure and lively finish.
- R57 **Katnook Founder's Block Cabernet Sauvignon** 2005 28.00
*Semi-opaque dark plum colour; aroma of baking spices, mocha and stewed plums; medium-full bodied with ripe core of dark berries. **Serving Suggestion** Grilled lamb chops with a red wine reduction*
- R108 **Rosemount Estates Shiraz** 2005 39.00
"Ripe and juicy, a supple mouthful of berry and cherry fruit shaded with pretty vanilla and spice notes. Everything lasts impressively on the round finish. Drink now through 2003. Score—89" (Wine Spectator June 15, 2001)
- R14 **Kangarilla Road Shiraz** 2005 34.00
Robert Parker writes of Kangarilla Road "Kudos to owner/winemaker Kevin O'Brien for fashioning these fine as well as realistically priced wines. Given the exceptionally high quality of Kangarilla Road's offerings, prices are extremely fair. These are full-throttle, impressively-endowed reds with plenty of class as well as complexity."
- R81 **Autograph Shiraz Barossa Valley** 2005 75.00
Wine Advocate The 2005 Shiraz "Autograph" spent 17 months in 60% new American oak. The wine is a glass-coating purple with room-filling aromas of cedar, mocha, cocoa, blueberry, and black currant liqueur. This leads to a medium to full-bodied, opulent wine with layers of ripe black and blue fruits, soft tannins, and excellent length. Allow 4-6 years of evolution in the cellar and drink this well-made Shiraz through 2025. Score: 93. —Jay Miller, October 2007
- R110 **Rochford 'Latitude' Pinot Noir** 2005 32.00
Mid cherry red in colour and of brilliant clarity. The nose shows distinct Point Noir fruit being a combination of lifted cherry and spice complexed with hints of forest floor and toasty oak. The palate is rich and soft with fine savoury note. Fine grape tannins support a long clean finish

<i>Robert Parker: Bolgheri is the source for some of Italy's greatest proprietary red wine blends of Cabernet Sauvignon and Merlot. No other region in the world (other than Pomerol and St.-Emilion) has produced such great Merlots. The 1998 Guado Al Tasso (a 60% Cabernet Sauvignon/30% Merlot/10% Syrah blend) was fashioned from extremely small yields of 30 hectoliters per hectare, spent 14 months in 100% new French oak, and was bottled with minimal clarification. Malolactic was also done in barrel, so the wood is nicely assimilated. The dense ruby/purple-colored 1998 offers a glorious perfume of coffee, chocolate, blackberries, cassis, and vanillin. This is Negroamaro at its finest. Separate lots are aged in both wood (for complexity) and steel (for freshness) before being blended. This wine is beautiful to the eye with a core of deep ruby with some garnet notes at the rim. Negroamaro is renowned for its highly perfumed, lingering sweet fruity notes, and "Pezzo Morgana" does not disappoint. The flavours are well-balanced, with ripe fruit cake and nuances of bitter chocolate, and the overall mouthfeel is rich and velvety.

Medium red. Fresh, complex nose offers spicy red fruits, fresh rose and a meaty nuance. I might have been in the Chambolle/Vosne neighbourhood. Sweet and dense but sappy and light on its feet, with penetrating dark fruit flavours complicated by a note of bitter chocolate. Intensely flavoured and serious but at the same time lush and sexy. Finishes very long, with a firm tannic spine. Distinctly Côte de Nuit-like in style and quality, and very impressive. Score 92 - Stephen Tanzer's International Wine Cellar. *Every wine region needs a hero. Sauternes has Yquem, Central Otago has Felton Road. **Decanter Magazine**
 The bouquet from this vineyard is particularly intense with flavours of dark fruits. In this vintage, the nose is fairly closed this early in the wine's life, but violets and exotic spice are already evident. The palate is deep and voluptuous, with dark cherry, blackberry leaf and raspberry notes. The finish adds sweet chocolate and mocha to the mix. Beautiful and ready to drink in the next 24 months with 3 to 6 years ageing potential.*

Burgundy—Chablis

Chablis produces white wines made from the Chardonnay grape. These are classified (in descending order of quality) as Grand Cru, Premier Cru, Chablis and Petit Chablis. With an aroma reminiscent of wet stones, Chablis derives its uniqueness from the chalk soil in which the vines are grown. Unlike white Burgundy from the Côte d'Or, Chablis is typically lean and zesty. Not all Chablis wines are aged in oak.

PORT & MADEIRA**PORT**

Port is a fortified wine made in Portugal from various grape varieties grown in the Douro valley. Brandy is added to halt fermentation at a point where sufficient natural sugar remains to give the wine its characteristic sweetness. There are many different types of port. Vintage port is wine of an exceptional year, kept in cask for two or three years, then matured in bottles. Late Bottled Vintage (LBV) ports are generally the produce of a single vintage. They are left in wood for four to six years, then fined and filtered before bottling. Ruby port, generally a blend of wines of different vintages, is stored in wood and bottled before it loses its clear, red color. Vintage Character port is essentially premium ruby port. Tawny port remains longer in the cask, losing some color and alcohol. Colheita is a tawny port from a single vintage. Crusted port is vintage or ruby port kept in bottles until it has formed a crust-like sediment. Single Quinta Ports are made in both tawny and vintage styles but with the distinction that they come from only one vineyard. White port is a sweet, amber-coloured port that is delicious served chilled as an aperitif.

MADEIRA

Madeira is a fortified wine that comes from an island off the northwest coast of Africa of the same name. Originally it was naturally oxidized as a result of ageing on shipboard. This process, which produces strong, rich wines, is now undertaken in heated buildings called "estufas," Madeira ranges from very sweet (Malmsey) to medium sweet (Bual) to rather dry (Verdelho and Sercial).
